Re: Policy and Procedures on Academic Integrity in Research and Publication (USC OT-251)

Dear Colleagues:

Vice President Rao convened a committee last fall to review the University's *Policy and Procedures on Academic Integrity in Research and Publication*, primarily in response to changes in federal guidelines. Enclosed you will find a letter from Vice President Rao, which provides background information, a list of the committee members, and the committee's recommended changes to the policy.

Please utilize your senates' procedures for consideration of the revised policy. Vice President Rao would like to implement the policy by the start of the 2009-2010 academic year.

Sincerely,

Elliot R. Kaufman, Chair
University Senates Conference
